Dear Parents,

It is once again time to register for Religious Education for next year. This year we are finally able to provide all religious education registrations for Resurrection online. Online registration for grades 1-5 can be found at <https://connectnowgiving.parishsoft.com/f/f2?formid=f9c2236c-2fc5-4c6f-929c-9eb7ca27ead7>. If you experience difficulty with the online process please contact Linda Resca at 749-0587 ext. 211. We want to encourage you to register soon as it will enable us to spend the next couple of months preparing things for next year's program and it will save you money as we offer a substantial discount for registrations submitted by July 15th.

Please pay special attention to providing us with the correct email address as this is used for most communications throughout the year.

To have a successful Religious Education program, we need many volunteers. Please look over the list of needs and see if God is calling on you to help out with any of them. If you think He is, please check off any that you would be willing to help out with. As you will notice on the Registration form, our fee schedule works out best for those who register early or volunteer to teach or facilitate and as in previous years we will again offer free registration to all who volunteer to teach a class at NDA (and teachers at Read Hall for grade 2!).

Please note that to qualify for free or reduced tuition the Registration form needs to be in by the early bird date of July 15th. This is to help enable us to set up classes and get the necessary paper work done early as the religious ed dept. works a limited schedule during the summer months. The schedule for next year is as follows:

Grade 1	At Home Family Catechesis "Sophia" with quarterly meetings
Grade 2	@ Resurrection, Read Hall, Wednesday from 4 - 5pm
Grades 3-5	@ Notre Dame Academy, Wednesday from 4 - 5pm

May Christ's light fill you and your family's days!

The Resurrection Religious Education Team

PS. Please do not delay registering because of finances. If there is a problem, please call Elizabeth Reardon at 749-0587 ext. 216 or Fr. Sinisa at 749-3577 ext. 213 and we can work it out confidentially.
